

The mission of Restoration Ranch Colorado is to support relaxation, reflection, recreation, health, and wellness for dispatchers, first responders, emergency department personnel, members of the judiciary, and their families to build capacity, community, and cooperation within and between first responder agencies.

We will officially open on Friday, June 3, 2022. A wide variety of activities are available that include live music, hiking, stargazing, painting, drawing, gardening, and meditation.

Restoration Ranch Colorado was founded as a 501(c)(3) nonprofit organization by Kathryn Severns Avery in 2022. It is managed by a Board of Directors and run by a staff that supports Kathryn.

RRC is funded through the generosity of those who support our mission. There is no cost for lodging, meals, and activities for those we serve.

**Come up for an hour to enjoy a cup of coffee, relax for a day,
